We take this opportunity to welcome you to our club.

The Classic & Enthusiasts Motor Cycle Club of NSW Incorporated is a Sydney based club, founded in 1974, with branches in Central West NSW and Illawarra NSW. As a member, you may partake in the club's activities in Sydney and in any of the branches. The club caters for all motorcycling enthusiasts, regardless of age, and encourages family members to join us, with or without a motorcycle. In addition, members and visitors may attend club functions in cars or on modern bikes. The club's constitution is available on our website or you may request a copy from our secretary.
