General Business

David deLapp raised matter of request from John Gilholme for a 2nd (private group) FaceBook page as there are some members in Illawarra that do not want to use the existing open page and the need to contact members on run changes. Discussed on the floor and agreed that there should be only one CEMCC FaceBook group/page and that other methods of contacting a group of members might be more suitable e.g. WhatsApp etc.
