Matters Arising

David DeLapp attended MCNSW Zoom meeting 31/8 re constitutional changes and club requirements, mentioned board changes and they now have a softer attitude to recreational clubs, we will supply same information as we already supply to fair trading and see how this goes.

Alan Harper attended a MCNSW Zoom general delegates meeting, not much of interest to our club, they are on track with their budget, motorcycling Alliance (breakdown service) they are behind on numbers. Looking to send out surveys to members soon. Meeting was more focused on sporting clubs and discussions on creating pathways for junior members to progress to championship levels.

David DeLapp sought clarification from Transport for NSW on HVS in regards to Primary/ Secondary club rules, these were displayed and discussed and his questions and answers will appear in the Classic clatter.
